Footnotes:

June 2019 Budget Outlook 1 of 1 June 11, 2019

^{1.} Disproportionate Share Hospital (DSH) - The federal Affordable Care Act directed reductions in DSH Medicaid grants to states, beginning in 2014. Subsequent federal legislation has delayed the reductions several times and under current law they are scheduled to take effect during fiscal year 2020. Pursuant to direction at the June 6 meeting, the June Outlook assumes federal legislation will be enacted to further delay the reduction in federal DSH grants beyond the 2021-23 biennium.

^{2.} The policy assumptions for the K-12 model used to develop the amounts reflected in the enacted budget for Chapter 410, Laws of 2019 (ESSB 5313) were different from the bill as it was enacted in its final form. As a result, the four-year budget costs reflected in the June Outlook are approximately \$34 million higher than the current estimates for the act.
